Household

Multi Family Residence:

Lifeline is a government program that provides a monthly discount on home or mobile telephone services. Only ONE Lifeline discount is allowed per household. Members of a household are not permitted to receive Lifeline service from multiple telephone companies.

Your **household** is everyone who lives together at your address as one economic unit (including children and people who are not related to you).

The adults you live with are part of your economic unit if they contribute to and share in the income and expenses of the household. An adult is any person 18 years of age or older, or an emancipated minor (a person under age 18 who is legally considered to be an adult). Household expenses include food, health care expenses (such as medical bills) and the cost of renting or paying a mortgage on your place of residence (a house or apartment, for example) and utilities (including water, heat and electricity). Income includes salary, public assistance benefits, social security payments, pensions, unemployment compensation, veteran's benefits, inheritances, alimony, child support payments, worker's compensation benefits, gifts, and lottery winnings.

Spouses and domestic partners are considered to be part of the same household. Children under the age of 18 living with their parents or guardians are considered to be part of the same household as their parents or guardians. If an adult has no income, or minimal income, and lives with someone who provides financial support to that adult, both people are considered part of the same household.

Answer the questions below to determine whether there is more than one household residing at your address:

1. Does your spouse or domestic partner (that is, someone you are married to or in a relationship with) already receive a Lifeline-discounted phone?

- Yes No

2. Other than a spouse or partner, do other adults (people at least 18 years old or emancipated minors) live with you at your address?

1. A parent

- Yes No

2. An adult son or daughter

- Yes No

3. Another adult relative (such as a sibling, aunt, cousin, grandparent, grandchild, etc.)

- Yes No

4. An adult roommate

- Yes No

5. Other:

- Yes No

(Please Enter Your Initial)

I understand that violation of the one-per-household requirement is against the Federal Communication Commission's rules and may result in me losing my Lifeline benefits, and potentially, prosecution by the United States government.
